NOTES:

This four year plan is based on the degree requirements effective Fall 2007. Students who started prior to Fall 2007 semester may have different overall degree requirements. Please consult with your advisors.

College Wide Elective courses may be additional IAM course, LAS courses, minor requirements, or any courses bearing credits toward the overall graduation requirements.

RECOMMENDATIONS:

- Students are encouraged to enroll in both the IAM practicum and the IAM Team course 3 hours would be credited as a departmental elective.
