Proposal

Goals and Objectives

Project Goal
The goal of this project is: to create a site that explores the art of graffiti.

Objectives
To achieve this goal, the project must:
1. explore the history of graffiti
2. display the different styles of graffiti
3. present some of my own artwork
4. .................................................................

Target Audience
The target audience for this project is anyone who is interested in graffiti as an art-form. Especially fans of the artwork.

Rationale
1. To learn more about the history of graffiti. Also for those who don't think graffiti is art.

2. Learning to appreciate graffiti as an art-form.

3. I have always had an interest in graffiti. This gives me a chance to learn more about it.

Project Overview:

Narrative describing the project including:
1. Scanned images, CSS, and XHTML markup
2. To explore the history and styles of graffiti, while showing an appreciation of the art-form.
